

# Discover Soda PDF 9 Enterprise

## The best solution for your deployment needs

Soda PDF 9 Enterprise is best suited for businesses that need flexible deployment solutions. Deployment options include MSI through GPO, Windows SCCM, Windows Terminal Server™, Citrix™, and more. Account management and license keys can be used to adapt to any deployment environment.

## With Soda PDF 9 Enterprise, you can:

- ✓ Access the full-featured Soda PDF Desktop app
- ✓ Create an account and use select free features online (view, create and convert)
- ✓ Assign one device per license
- ✓ Assign one user per billing cycle
- ✓ Deploy with GPO and license keys
- ✓ Keep your software up to date with a maintenance plan
